1. We use this index from *compendio*. Most authors signate and their data orders must be presented by a table.

to help approximate numbers of shares held (10%), the chart is designed to help you decide how much to hold. It is not a money order payable to Black Knight Securities, Inc.

There will be charges separately. Cost rate of each item will be indicated.

THE NEW FORM

The photograph shows the front cover of a book. The cover is primarily white with a large, dark grid pattern on the left side. A small, rectangular inset image is visible on the right side of the cover. The book is standing upright, and its spine is visible on the left.
